

Firefighters battle garage fire

Your Sylvania Firefighters were busy on Memorial Day fighting an attached garage fire on Bentbrook Rd. in Sylvania. Damage was extensive to the garage. Firefighters were able to keep the fire from spreading into the house. There was one person treated at the scene for smoke inhalation and no firefighters were injured. The family was home at the time of the fire and were able to escape safely. The smoke detectors operated, sounding an alert to the family. All Sylvania Fire crews were needed to respond to this fire and Springfield Township Fire and Toledo Fire crews were asked to fill-in at the empty Sylvania fire stations.

Firefighters are pictured in the upper picture preparing to force entry into the garage and in the lower picture are working to extinguish the fire after having made entry into the garage.
