

Gerken Paving to Improve Several Streets

Sylvania Township trustees have awarded the contract for this year's road resurfacing project to Gerken Paving, Inc.

The firm bid just over \$600,000 to do the work on several miles of township roads. The work entails milling down the current surface and then resurfacing. There is some minor base repair and related work which may also occur.

Bids on the job were opened and reviewed by Gregory W. Huffman, public works manager, who recommended accepting the bid from Gerken.

The roads to be resurfaced are: Elmer Drive, from McCord to Wilford; Indian Oak Lane, from Kelker to Blossman; Indian Tail Lane, from Kelker to .14 mile north; Keler, from McCord to Plainview.

Olde Marsh Road, from East Cobblestones to Wyndstone; Plainview from Central to Blossman; Wilford from Bancroft to Blossman; Winterhaven from Sylvania-Metamora to 0.5 mile north of Olde Marsh Road.
