

Your Sylvania Fire Department held a *Fire Safety Festival* to close out Fire Prevention Week 2012 at fire station #4 this past Saturday, October 13. This first time event was a complete success thanks to the firefighters, teachers in the local elementary schools, the local businesses that helped sponsor this event and most importantly the parents and children that reside here in Sylvania. Thank you.

It is through this cooperation between business, government and citizens that the entire community benefits.

Below are pictures from this event. If you have any questions about fire prevention or operations of the fire department, please do not hesitate to contact us, 419-882-7676.

Mike Froelich – Deputy Fire Chief – Fire Prevention & Community Risk Reduction

The crowds are enjoying and learning about the Fire Safety House, EMS transport Medic Unit and the Ladder Truck

“Moe” the Fire Clown provided entertainment and balloon characters for the children

The bikes are lined up waiting to be awarded to the winners, drawn from the group of home escape plans drawn by the students and their parents as homework for the week.

And the winners of the donated Bicycles & Helmets are:

Aspiring Firefighter!

Thanks to all – your firefighters enjoyed the day!
